INVESTING IN OUR YOUTH AND OUR CHILDREN

I would like to take this opportunity to introduce you to our organization and thank you in advance for supporting us in our efforts to make a difference in our community by investing in our youth and children. The High Five Golf Club was initially founded in order to promote the game of golf amongst like mind individuals by providing a fun and fair playing structure amongst its members. However, our group has grown to fundamentally agree that we can have a significant impact on our community by supporting our kids.

HIGH FIVE GOLF CLUB

1st ANNUAL
INDIVIDUAL AMATEUR
GOLF TOURNAMENT

We believe that all fair minded people can agree that our children and youth need support and stability to grow into our upstanding moral and ethical citizens of the future. We also believe that the game of golf can be utilized to develop the fundamental principles of character by enhancing the ethics and honesty in our young people. What other game requires that individuals take responsibility for self monitoring and penalizing one's self for violation of the rules of the game?

The High Five Golf Club has many lofty goals to develop a program to support our youth. The proceeds of the 1st Annual Individual Golf Tournament will help us to begin our journey to reach our goals. With your support, we believe we can have an eternal influence on our children and youth by helping to develop the character necessary so that one day they will be upstanding and influential citizens of our community.

Thank you for taking the time to learn about our organization and for your support! Your sponsorships and contributions will help us make an everlasting difference in our community!
